

Expectations for TPRS Students

www.EducatorInService.com Janice Holter Kittok © 2005

Your job is **comprehension**.
You will get **MORE** out of the lesson if you do **LESS**.

LISTEN

- ◆ Follow directions. Cooperate. Be nice.

ENJOY

- ◆ You will learn more and we will all be happier.
- ◆ Show enthusiasm. “Get into it.”
- ◆ Add ideas to the story details.
- ◆ However, check those behaviors that distract and detract from our learning.

SHOW me when you get it

- ◆ By looking this way,
- ◆ By doing the action or gesture, and
- ◆ By answering the questions.

SHOW me when you don't get it

- ◆ By giving me a sign, or
- ◆ By raising your hand to ask a question.

Take responsibility for your own learning.
Help others to learn along with you. :-)
